

PEACE IV – Play in the Community

Making a Difference in Our Communities – Building Positive Relationships

Street Play Community Training

CLOSING DATE FOR RECEIPT OF EXPRESSION OF INTEREST IS 2:00PM, TUESDAY, 20TH JULY 2021

Two-day training 28th & 29th July online from 6:45pm – 8:45pm.

As part of our Play in the Community Programme we are offering Street Play training to individuals who live, work or play in the Borough. This project supports outdoor play.

Children have the right and need to play. Not that long ago, children roamed their neighbourhoods freely and used the streets and areas in which they lived as a playable space. For most children that freedom to play outdoors has decreased – their independent mobility has been restricted by traffic and parental fears, leading to much more time being spent indoors.

LEARNING OUTCOMES

1. Help you to explore the benefits of play for children's health and wellbeing
2. Provide an overview of the street play concept
3. Consider how best to set up successful street play sessions in your local area
4. Consider the resources and playful activities that your street can offer
5. Bringing play to your local community!
