# Welcome to Dromore Community Centre

armaghbanbridgecraigavon.gov.uk **y**/abcb\_council

Everyone feels different when visiting a new place or trying something new.

There are new sounds, smells and you may not know what to expect.

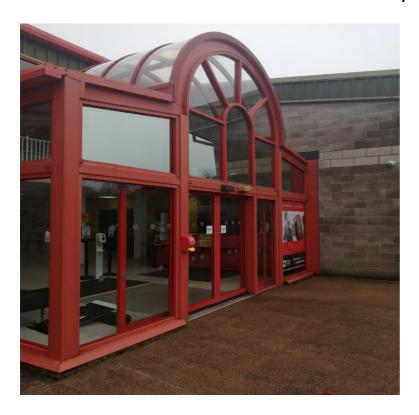

The Centre can be accessed via car and by foot, it is a 15 -20 minute walk along the Lurgan Road from the Town centre.

When you arrive at Dromore Community Centre, you enter via the carpark

# **Entrance** — This is the entrance into **Dromore Community Centre**

# **Welcome to Dromore Community Centre - Reception Area**

Upon arrival at Reception, you can speak to a member of staff and they will advise you where you should go.

### **Main Hall**

The Main Hall can facilitate many sports such as Badminton, Football, Martial Arts and Netball. They can be very noisy places.

If you are attending the Centre for a Birthday Party, it is located in the Main Hall

### Noises you might find in the Main Hall:

- Loud music playing when exercise classes are in progress.
- Shouting and yelling whilst some sports are being played
- Children yelling, shouting and laughing whilst Birthday party is in progress.
- Motor noise coming from the blowers whilst Birthday Party is in progress
- Fire alarm testing, music and public announcements through speakers

### Smells you might notice in the Main Hall:

• Cleaning Products after Hall has been cleaned

### Studio 1

Activities that can take place in here are meetings and exercise classes. The photo below shows set up for a Boogie Bounce class.

# Noises you might find in Studio 1:

- Loud music playing when exercise classes are in progress.
- Fitness equipment clanging and possibly banging together
- People talking loudly or shouting at times
- Fire alarm testing, music and public announcements through speakers
- Two way radio activity and Staff Instruction

### Smells you might notice in Studio 1:

• Cleaning Products after Hall has been cleaned

### Studio 2 -Indoor Cycling

This room is small and lights are dim. You can visit and have a look before attending a class. If you prefer to use our Fitness Suite, we have some bikes in there, a programme can be uploaded into the bike as an alternative.

# Noises you might find Studio 2:

- Loud music playing when exercise classes are in progress.
- People talking loudly or shouting at times
- Fire alarm testing and music and public announcements through speakers
