WELCOME MINI MOVERS TO GETACTIVEABC'S PRE-SCHOOL GYMNASTICS PROGRAMME

Bouncing, spinning, rolling- your children are already natural born gymnasts. So if you want to help them develop their physical skills, what better place to start - than with getactiveabc?

Pre-school gymnastics teaches your children important skills such as balance and co-ordination. With professional coaches and a playful environment, it's a great way for them to have fun and lay the foundations of a healthy, active lifestyle.

With lots of new equipment for your little ones to explore the sessions are always fun and exciting. While your little ones are having fun and meeting new friends they are also getting a head start in the world of gymnastics with getactiveabc.
